If Flying...

If Flying...

If flying: Roanoke Airport Transportation will pick up participants at the airport to take to Lexington and take participants back to the airport at the end of the conference. Participants are required to pay for any checked baggage. It is highly recommended to bring a carry-on.

What is my carry-on baggage allowance? You may bring one carry-on item onboard the aircraft, plus one personal item. All carry-on items must meet Federal Aviation Administration (FAA) regulations, fit easily in a SizeWise® unit (approximately 22" x 14" x 9"), and weigh less than 40 pounds. The FAA mandates that all carry-on items have to fit under a seat or in an enclosed storage compartment.

Liquids and Containers—Taking a few minutes to prepare may help to prevent some real hassles at security or even the frustration of having personal property confiscated. Examples of liquids and gels included in these security measures are: Beverages, Creams, Hair gel, Hair spray, Shampoo, Toothpaste, Other items of similar consistency. For all liquids, gels, aerosols, and pastes limit each container to a maximum size of 3.0 oz/100ml. Place all such items in a single quart-size, clear plastic, zip-top bag.

Packing/Check-In Suggestions

These simple hints will usually help you to breeze right through security checkpoints.

- Travel light—minimal clutter will speed up the screening process.
- Leave cigarette lighters at home.
- Leave your pocket-knives, scissors, and any other sharp objects at home or put them in your checked baggage.

- Pack any spare lithium batteries for laptops, cell phones, etc. in your carry-on luggage only.
- Be ready to take off your shoes and put belts, mobile phones, and metal objects in your carry-on.
- Take your laptop out of its case and place it in the container provided for you.
- Have identification and your boarding pass ready to show.
